

# Friday Night In Munich

Miguel Bosé

Friday night I walked along the streets  
I was a stranger in this town  
So I walked into a bar  
And ordered myself a drink

What a lovely place  
What a nice surprise  
Everyone was having fun  
The air was friendly and warm  
You make me feel at home

Friday night in Munich  
(Munich... Munich... Munich...)  
Always in my mind  
(Munich... Munich... Munich...)  
I'll remember Munich  
(Munich... Munich... Munich...)  
Till the day I die

Friday night I walked along the streets  
I was a stranger to this bar  
When I saw her standing there  
She had a welcome smile

And she came to me  
And she talked to me  
I couldn't understand what she said  
But I read into her eyes  
That the night was made for us...

Friday night in Munich  
(Munich... Munich... Munich...)  
Always in my mind  
(Munich... Munich... Munich...)  
I'll remember Munich  
(Munich... Munich... Munich...)  
Till the day I die

Friday night in Munich  
(Munich... Munich... Munich...)  
Always in my mind  
(Munich... Munich... Munich...)  
I'll remember Munich  
(Munich... Munich... Munich...)  
Till the day I die

Friday night in Munich  
(Munich... Munich... Munich...)  
Always in my mind  
(Munich... Munich... Munich...)
