

# Heaven

Miguel Bosé

Anytime I'm afraid  
Of all the tricks that men play  
A meditation in blue  
Will always cure

And the talkative tongue  
Who tries to keep me  
I say I must really run  
And do my duty

It's a method of understanding  
Taking care of a friend...

Heaven  
Order in heaven  
All is forgiven, in the end  
Heaven, order in heaven  
All is forgiven  
Even you (The effort is believing)  
Even you (That strength is in your weaknesses)  
Even you (You've got to start believing)  
Even you (Over and over and over and over and...)

Anytime with blue eyes  
Who keep their feelings disguised  
Who keep avoiding a chance  
For intimation

For all the peace in my voice  
I'm always shouting  
To be heard in the noise  
To do my duty... duty...

It's a method of understanding  
Taking care of a... taking care of a friend...  
(Taking care of a friend, taking care of a friend...)

Heaven  
Order in heaven  
All is forgiven, in the end  
Heaven, order in heaven  
All is forgiven  
Even you (The effort is believing)  
Even you (That strength is in your weaknesses)  
Even you (You've got to start believing)  
Even you (Over and over and over and over and...)

There's a heavenly hand  
Who's trying to reach me...

I say I must really run  
And do my duty... duty, duty...

It's a method of understanding  
Taking care of a... taking care of a friend...  
(Taking care of a friend, taking care of a friend...)

Anytime with blue eyes... heaven  
Anytime I'm afraid... heaven  
Anytime with blue eyes... heaven  
Anytime I'm afraid... heaven  
Anytime...  
Anytime I'm afraid...  
Anytime I'm afraid...  
Heaven...
