

I'll Keep Holding On

Miguel Bosé

I know I must be crazy - to keep hanging round
But I can't let it go - this love I found
Still you say you don't want me
And still you tell me to go
Here is something that you should know

I'll keep holding on, I'll keep holding on
I'll keep holding on 'till your love is gone
As long as it takes to get you
As long as it takes to keep you

You're saying every word that you say to me
And that look in your eyes
That you really want to let me go
A fact that you can't disguise
There's not a situation
That we can't overcome
So until you tell me to go

I'll just keep holding on, I'll just keep holding on
I'll just keep holding on, ooh, my baby
I'll just keep holding on, I'll just keep holding on
I'll just keep holding on, ooh, my baby
As long as it takes to get you
As long as it takes to keep you

I'll just keep holding on, I'll just keep holding on
Until your love is gone over... my baby [*]
I'll just keep holding on, I'll just keep holding on
Until your love is gone over... my baby

I'll keep holding on
I'll keep holding on [**]
I'll keep holding on
'Till your love is gone...

I'll keep holding on
'Till your love is gone...
