

Never Gonna Fall In Love Again

Miguel Bosé

No use pretending things can still be right
There's really nothing more to say
I'll get along without your kiss, goodnight
Just close the door and walk away

Never gonna fall in love again
I don't wanna start with someone new
'Cause I couldn't bare to see it end
Just like me an you

No, I never wanna feel the pain
Of remembering how it used to be
Never gonna fall in love again
Just like you and me

I pressed the though that love was here to stay
The summer made it seem so right
The light, the sun we watched to fade away
From morning into lonely night

Never gonna fall in love again
I don,t wanna start with someone new
'Cause I couldn't bare to see it end
Just like me and you

No, I never wanna feel the pain
Of remembering how it used to be
Never gonna fall in love again
Just like you and me

Never gonna fall in love again
I don't wanna start with someone new
'Cause I couldn't bare to see it end
Just like me and you

No, I never wanna feel the pain
Of remembering how it used to be
Never gonna fall in love again
Just like you and me

Never gonna fall in love again
I don't wanna start with someone new
'Cause I couldn't bare to see it end
Just like me and you

No, I never wanna feel the pain
Of remembering how it used to be.....
