

Wrong In The Right Way

Miguel Bosé

Alright turn out the light
We got to lose our mind, tonight
Come on baby, let's get crazy
Don't be fancy, just get dizzy, alright

Put your hands up in the air
Put your hands up in the air
Don't be serious, let's get dirty here

Little freaks...

We'll be wrong in the right way
We'll be anything but loud
We'll be flying to the stars
We'll be lost on a cloud
We'll be making love forever
We'll be like a supernova
We will dance with the angels
Over and over.

We'll be wrong in the right way
We'll be anything but loud
We'll be flying to the stars
We'll be lost on a cloud
We'll be making love forever
We'll be like a supernova
We will dance with the angels
Over and over.

Okay let's just freak out
and so on by night
Don't stop, come by my side
We gotta get it on

Put your hands up in the air
Put your hands up in the air
Don't get serious, let's get dirty.

Little freaks...

We'll be wrong in the right way
We'll be anything but loud
We'll be flying to the stars
We'll be lost on the clouds
We'll be making love forever
We'll be like a supernova
We will dance with the angels
Over and over.

We'll be wrong in the right way
We'll be anything but loud
We'll be flying to the stars
We'll be lost on the clouds
We'll be making love forever
We'll be like a supernova
We will dance with the angels
Over and over.

Can you feel it?, can you feel it?
Can you feel it?, can you feel it?
Can you feel it?, can you feel it?
Can you feel it?, can you feel it?
Over and over.
