

# Get You

Miguel

Through drought and famine, natural disasters  
My baby has been around for me  
Kingdoms have fallen, angels be calling  
None of that could ever make me leave

Every time I look into your eyes I see it  
You're all I need  
Every time I get a bit inside I feel it

Oooooooh, who would've thought I'd get you  
Oooooooh, who would've thought I'd get you

And when we're making love  
Your cries they can be heard from far and wide  
It's only the two of us  
Everything I need's between those thighs

Every time I look into your eyes I see it  
You're all I need girl  
Every time I get a bit inside I feel it

Oooooooh, who would've thought I'd get you  
Oooooooh, who would've thought I'd get you  
Oooooooh, who would've thought I'd get you  
Oooooooh, who would've thought I'd get you

And when we're making love  
Your cries they can be heard from far and wide  
It's only the two of us  
There's everything I need's between those thighs
