

# Sunbathe

Miguel

I go down in it, down in it  
I'ma drown in it, drown in it  
Lost and found in it, drown in it  
Lost and found in it, drown in it

Oh sunshine  
I wanna bathe in your light (Your light)  
All day and all night (All night)  
Yeah, oh sunshine (Sunshine)  
If you throw it in the air (In the air)  
I couldn't help but stare (Yeah)

'Cause I wanna know (Know)  
How deep we can go (Go)  
'Cause I feel your energy warming (Warming)  
I find inner peace when I'm

Sunbathing (Bathing)  
Bathing in your waters  
Naked thoughts temptation  
Baby, come with me  
Ohh, sunbathing (Yeah)  
Breathless views and peaches  
Your body's a vacation  
I never wanna leave  
I never wanna leave

I go down in it, down in it  
I'ma drown in it, drown in it (I never wanna leave)  
Lost and found in it, found in it  
Lost and found in it (Oh)

Oh sunshine, yeah (Sunshine)  
Every move you make me sweat (Move you make me sweat)  
The kind of views you don't forget (Forget)  
No  
Oh sunshine  
Still I'm flooded in your love (Your love)  
'Cause I can't get enough (I can't get enough)

Yeah, I gotta know (Know)  
How deep we can go (Go)  
Cause I feel your energy, darling (Darling)  
I find inner peace when I'm

Sunbathing (Sun-)  
Bathing in your waters (Uh-uhh)  
Naked thoughts temptation (-Tation)  
Baby, come with me (Yeah)  
Ohh, sunbathing  
Breathless views and peaches  
Your body's a vacation  
I never wanna leave

'Cause I need your sunshine  
As soon as the sun sets  
Something 'bout you in that sundress (Dress)

What rhymes with sundress  
I'm just sunbathing

Bathing in your waters  
Naked thoughts temptation  
Baby, come with me

Sunbathing (Yeah)  
Breathless views and peaches  
Your body's a vacation (Your body's a vacation, baby, yeah)  
I never wanna leave  
I never wanna leave
