

The Valley

Miguel

I'm your pimp, I'm your pope, I'm your pastor babe
Confess your sins to me while you masturbate
Shepard Fairey shit, OBEY, like I'm your master babe
This is art babe, play your part babe, then we all get paid

I wanna fuck like we're filming in the valley
I wanna push and shove and paint your hills and valley
I got a rad idea to expedite the ride
Bend it over, pull em to the side
I'm talking, lips, tits, clit, slit, lips, tits, clit, slit
Like we're filming in the valley, (lips, tits), in the valley (clit, slit)
In the valley, (lips, tits), in the valley (clit, slit)

I'm your heaven, I'm your hell, I'm
Your healer babe
Pour your sins on me baby, let it spray

I wanna fuck like we're filming in the
Valley
I wanna push and shove and paint your hills and valley
(Lips, tits, clit, slit, lips, tits, clit, slit)
Like we're filming in the valley, in the valley (lips, tits, clit, slit)
In the valley, in the valley, (lips, tits, clit, slit)

I wanna taste your sweat, force my fingers in your mouth
Fuck you like I hate you baby, I wanna slut you out
I wanna taste your sweat, force my fingers in your mouth
Fuck you like I hate you baby, I wanna slut you out

(Lips, tits, clit, slit, lips, tits, clit, slit)
(Lips, tits, clit, slit, lips, tits, clit, slit)
Tell me that you love it darling
(Lips, tits, clit, slit, lips, tits, clit, slit)
(Lips, tits, clit, slit, lips, tits, clit, slit)
Like we're filming in the valley, in the valley (lips, tits, clit, slit)
In the valley, in the valley, (lips, taste, clit, slit)
Bust it open for me, valley, (lips, taste, clit, slit)
Bust it open in the valley, (lips, taste, clit, slit)
Bust it open in the valley, (lips, taste, clit, slit)
Bust it open for me, valley, (lips, taste, clit, slit)
In the valley
