

## Triggered

Miguel

You're fucking beautiful  
When you explode and love me in your rage  
It's fucking difficult  
It turns me on, I guess I love the pain

Big talk, talk back, your mouth smart  
Want big smoke, got a temper  
This a heat check, bus' it back  
I'm triggered, and you like it  
Bus' back, I'm triggered, and you like it  
Fuck one, fuck two  
We fuck three times early morning  
3 A.M., are you happy now?  
Love drunk, face down with no detox  
Bus' it back, yeah, I'm trigger-happy

You're fucking beautiful  
When you get low and love me in your rage  
It's fucking difficult  
It turns me on, I guess I love the pain

Soaked in blood  
Love like a car crash is shameless and reckless  
Love like a car crash is shameless, I know

Big talk, talk back, your mouth smart  
Want big smoke, got a temper  
This a heat check, bus' it back  
I'm triggered, and you like it  
Bus' it back, I'm triggered, and you like it  
Fuck one, fuck two  
We fuck three times early morning  
3 A.M., are you happy now?  
Love drunk, face down with no detox  
Bus' it back, yeah, I'm trigger-happy
