Miguel

(Good time, vote for that...)

I've got that feeling, the feeling too easy
As long as I'm breathing, I've gotta vote for a good time

Tag your name across the sky
Breathe it in and we can fly

Yeah, so let's vote
Like you just got paid
Spend it all on Mary Jane
It's a celebration
Yeah, so I vote
Oh, and everything changing
It's got me feeling strange
But we can stand together
Yeah, so just vote
Summer nights that we were wild
Make the choice that makes you proud
Make the choice that makes you proud
Yeah, and vote for a good time

One time for tequila, two times for sativa

(Vote for a good time)
Yeah, oh, good time, alright
(Good time, good time)
La la la, la la la, la la la, yeah
(Vote for a good time)

So much beauty into nothing
Sometimes life is ugly

So let's vote
[?] don't wait
Make the choice that sets you free now
And that's [?] your mind
You'll be fine if you just vote
Tag your name across the sky
Breathe it in and we can fly

For the moments we'll remember
And the people that we treasure
We can keep it all together, oh
Vote for a good time

One time for tequila, two times for sativa

One time for tequila, two times for sativa

Vote for a good time

(Good time, good time)
Good time, yeah yeah yeah
(Vote for a good time, good time)
La la la, la la la, la la la, oh
Oh, I vote, oh, I vote

(Vote for a good time, good time)
You know, I know, I know
Oh, good time, alright
(Vote for a good time, good time)
La la la, la la la, la la la, yeah
Oh, I vote, oh, I vote
(Vote for a good time, good time)
You know, I know, I know
Oh, good time, alright
(Vote for a good time, good time)
La la la, la la la, la la la, yeah
(Let's vote for a good time)

Oh, I can see you same time tomorrow night, yeah
Right now feels like the greatest of our lives
It's you and I
