

Hyperlove

Mika

Feeling like my head is foggy
Feeling like I'm two feet from the ground
Feeling like I can't get high enough
Turning up the volume 'til I can't hear a sound
Feeling like I'm hardly moving
Unless I'm going at 200 an hour
Feeling like my soul is restless
Until you come around

Hyperlove, hyperlove
You give me hyperlove, hyperlove

Is this love
Or hyperlove?
What is love?
Hyperlove, hyperliving
Burning through everything
Leaving nothing
Hyperlove leaves me yearning
Hyperlove leaves me burning

Hyperlove, hyperlove
You give me hyperlove, hyperlove
Hyperlove, hyperlove
You give me hyperlove, hyperlove
Hyperlove, hyperlove
You give me hyperlove, hyperlove
Hyperlove, hyperlove
You give me hyperlove, hyperlove

Is this love
Or hyperlove?
What is love?
