

## Interlude Please Take Your Problems With You

Mika

Society is a drag, so why not drop it?  
Drop in, drop out, drop sideways  
But whatever you do, don't lose it  
Blink and you might miss it

Society is in drag, so why not flaunt it?  
Dress for the world you want to see  
And be the person you are  
Inside and out

I'm your dreamboat deviant  
And you're tuned to Hyperlove FM  
Stay tuned, my dangleberry darlings  
Stay tuned
