1. Took a ride to the end of the line
         Hmi          E
   Where no one ever goes.
         F#m     D                   Hmi       E
   Ended up on a broken train with nobody I know.
          Hmi           E
   But the pain and the longing's the same.
              F#mi
   When you're dying
          Hmi           E
   Now I'm lost and I'm screaming for help alone.

   F#mi            Hmi E
R: Relax, take it easy
               C#mi
   For there is nothing that we can do.
   F#mi            Hmi  E
   Relax, take it easy
              C#mi
   Blame it on me or blame it on you.

                  F#mi
*: It's as if I'm scared.
                  Hmi
   It's as if I'm terrified.
                  E
   It's as if I'm scared.
                  C#mi
   It's as if I'm playing with fire.
   F#mi
   Scared.
                  D
   It's as if I'm terrified.
          Hmi
   Are you scared?
         E
   Are we playing with fire?

2. Relax. There is an answer to the darkest times.
   It's clear we don't understand it, but the last thing on my mind
   Is to leave you.
   I believe that we're in this together.
   Don't scream - there are so many roads left.

R: Relax, take it easy... (4x)

*: It's as if I'm scared...
