

# We Are Golden

Mika

Teenage dreams in a teenage circus  
Running around like a clown on purpose  
Who gives a damn about the family you come from?  
No givin' up when you're young and you want some

Running around again  
(Running around again)  
Running from running

Waking up in the midday sun  
What's to live for?  
You could see what I've done  
Staring at emotion  
In the light of day  
I was running from the things that you'd say

We are not what you think we are  
We are golden, we are golden  
We are not what you think we are  
We are golden, we are golden

Teenage dreams in a teenage circus  
Running around like a clown on purpose  
Who gives a damn about the family you come from?  
No giving up when you're young and you want some

Running around again  
(Running around again)  
Running from running  
Running around again  
(Running around again)  
Running from running

I was a boy at an open door  
Why you staring  
Do you still think that you know?  
Looking for treasure  
In the things that you threw  
Like a magpie  
I live for glitter, not you

We are not what you think we are  
We are golden, we are golden  
We are not what you think we are  
We are golden, we are golden

Teenage dreams in a teenage circus  
Running around like a clown on purpose  
Who gives a damn about the family you come from?  
No giving up when you're young and you want some

Now I'm sitting alone  
I'm finally looking around  
Left here on my own  
I'm gonna hurt myself  
Maybe losing my mind  
I'm still wondering why

Had to let the world let it bleed me dry

We are not what you think we are  
We are not what you think we are  
We are not what you think we are  
We are golden, we are golden

Teenage dreams in a teenage circus  
Running around like a clown on purpose  
Who gives a damn about the family you come from?  
No giving up when you're young and you want some

Running around again  
(Running around again)  
Running from running  
Running around again  
(Running around again)  
Running from running

We are not what you think we are  
We are golden, we are golden
