

## DO NOT DISTURB

Mike Dimes

Yeah, I made a check it's my birthday  
Fuck in the beach house, we on a vacay  
I turned that ho down, she ain't getting rich like me  
Higher than a bitch, me and my niggas smoke weed  
Big Doja, smoking a pound, slumped over I ain't even lit yet  
Up early kickin' a ho out, I bought my favorites' handbags  
Fuck that chain I smoke that (Smoke that), stupid gas (Pressure  
)  
Stupid gas, pressure, stupid gas, pressure  
Slide in Miami, black truck boomin', it's like a Benz truck, wh  
ere we moving?  
My lil' ho say I work too hard now  
Pull up on you right now fuck all the bullshit

Yeah, fuck all the bullshit  
(I'm so high, I'm feelin')  
(Fuck all the bullshit)  
(I'm so high, I'm feelin')  
Fuck all the bullshit  
(Fuck all the bullshit)

Uh, twenty seconds and I'm lookin' for a way to tell 'em put me  
in  
I'm lookin' for a play, her baby daddy tryna get into the gang  
First rule; play it safe, okay  
If the birdies callin', then the wormies crawlin'  
I got strikers home in the safe  
I put frost all on my flakes, my future with her is right there  
on her face, okay  
To a nigga that's rockin' MK, when I got me an M, had to cop me  
a K  
When you mint like this ain't shit else to say  
Ask the broke in the room what they doing today, okay

Prolly tell 'em the same shit they gon' fly 'em out soon (Okay)  
Prolly tell 'em the same story that you had in High School (Oka
