Two hunnid dollars for sure just to ride in this Rover (uh)
Two for a pop (pop), two hunnid thousand to give his ass over
We got on heaters, we cheaters

Fucking that bitch and I'm fucking, I'm fucking, I'm fucking, I'm-

Run up a check and they call me two honey buns
The house like bank and the safe got a hunnid' guns
She fucking with gang 'cause we them Benjamin's
The house with a 'vet and I sleep in the 'vet, my check
Best come correct, fucking this bitch and I ain't even met
I got me a bankroll, I ain't even stretch
Get dome in the Range over, I ain't even stretch

I get me a bag and I run it up (run it up)
Say he the man but I know he can't fuck with us (uh)
Left my estate just to get a little cake
And I came back home with a hunnid' plus
Hunnid' plus, bitches
Hunnid' plus, riches
Why you hide your bitch, homie I ain't even trippin'
We got it on, we do a song
Make us a O and get on the road, hey

Run up a check and they call me two honey buns
The house like bank and the safe got a hunnid' guns
She fucking with gang 'cause we them Benjamin's
The house with a 'vet and I sleep in the 'vet, my check
Best come correct, fucking this bitch and I ain't even met
I got me a bankroll, I ain't even stretch
Get dome in the Range over, I ain't even stretch

Get it my bag and I uh, hold up
Get it my bag and I double up
Roll me an eight in the J, how he rolled it up
In the strip club, my bay the way we keep a pole on us

The house like bank and the safe got a hunnid' guns
She fucking with gang 'cause we them Benjamin's
The house with a 'vet and I sleep in the 'vet, my check
Best come correct, fucking this bitch and I ain't even met
I got me a bankroll, I ain't even stretch
Get dome in the Range over, I ain't even stretch
