She only talk to me cause money in the bank sit properly  
She only talk to me cause all these niggas keep on jocking me  
I got a bag wit Gs and we ain't even have to serve a G  
I got it all on me and now she tryna take it all off me

I said wait, I said hollup  
I'm too straight, I can't fold up  
Give me face, not no makeup

Bitch it's to late for the act, I made racks after racks  
You gone see the ones who left me tryna come and stumble back  
Never live a life to go and fuck wit people who laid back  
I'm not complacent and she noticed that theres something I'm ask, like why you talk to me

She only talk to me cause money in the bank sit properly  
She only talk to me cause all these niggas keep on jocking me

She don't even kno my name, all she see is blang blang blow  
Oh they like me now  
Heard they wanna fight me now, I'm the bell inside my town  
Golden boy gone need a crown  
I came with a different sound, he came tryna jack my style

She only talk to me cause money in the bank sit properly  
She only talk to me cause all these niggas keep on jocking me  
I got a bag wit Gs and we ain't even have to serve a G  
I got it all on me and now she tryna take it all off me
