Watch a young nigga composure, I get to the bag when I'm off of the sofa
I touched me a rack before I touched diplomas
I touched on her cat before I try to bone her
I did me a lot, I just did what I told 'em, uh (Hold up)
Looking at me like I owe 'em, uh (Hold up)
Looking at me like she know me
She think that she special, she don't know my motive
