year ago, a year and four months ago, I was broke as fuck  
[Joshua Zucker:] That's wild

My weed is from Cali

Step in Adidas like soldiers  
If you got cameras, keep 'em in focus, yeah

Gold in my mouth and it's real, ha  
Shut up lil boy cause I'm here, ha  
Smile make your bitch disappear  
She rubbing my cum with her tears

Cut up so much, I should be my own DJ  
Ride through L.A. like a race, first place  
Smoke enough to make new clouds in space

This shit is too easy, I know they can't eat me  
I cut through it all, I don't want to be greedy  
Seeing new states, juicy fruit plates, shots of D'ussé  
Naked models in my room, and I just woke up too

Backwoods and Balmain  
Hennessy and Rosé  
Good green and drank, yeah, make a bitch go crazy, ay

Backwoods and Balmain  
Hennessy and Rosé  
Good green and drank, yeah, make a bitch go crazy, ay

Putting on, and yeah the world know  
We been going cross the damn globe  
Couple bands for the clothes I'm wearing  
Black diamonds and fine dining  
Mike hit 'em with the old school  
We rolling up zips of that doja  
Just look a lil' closer, my cup runnin' over  
I'm spilling that purple, you know I ain't sober  
Your hoe coming with me, you know she a roller  
Bet she can't wait just to ride in that rover

Backwoods and Balmain, nigga  
Join the campaign, nigga  
We smoking on octane, see my ring, looking like a glazed  
Ay, Gucci sips that lemonade  
We dripping sauce like fountain waters  
You ain't never seen the border  
Smelling like Italian odors  
Double G, like what it cost you?  
Pay the price to be the boss  
Pay that price to get that loft, backwood and Balmain nigga  
Backwood and Balmain
