

# Dangerous Behaviour

Mike Mago

Dangerous behaviour?

You've been playing too long  
You might get burnt by  
Your own fire

I've been drawn in captured by wildfire  
Consequences don't matter

Cause every time we get in trouble  
I can feel release  
I forget myself a little struggling to breathe, yeah  
Will I ever let it go  
Guess we'll have to wait and see  
Guess we'll have to wait and see, see, see...

Back it up  
This dangerous behaviour's on you  
Cause sooner or later  
I'll miss the threat  
I need the edge and you know  
That I'll be waiting for more  
So back it up  
This dangerous behaviour  
Ohhhh  
This dangerous behaviour

Don't start something  
You can't finish are you sure  
It's me you can handle

Cause every time we get in trouble  
I can feel release  
I forget myself a little struggling to breathe, yeah  
Will I ever let it go  
Guess we'll have to wait and see  
Guess we'll have to wait and see, see, see...

Back it up  
This dangerous behaviour's on you  
Cause sooner or later  
I'll miss the threat  
I need the edge and you know  
That I'll be waiting for more  
So back it up  
This dangerous behaviour  
Ohhhh

This dangerous behaviour's on you  
Cause sooner or later  
I'll miss the threat  
I need the edge and you know  
That I'll be waiting for more  
So back it up  
This dangerous behaviour

Back it up

This dangerous behaviour's on you  
Cause sooner or later  
I'll miss the threat  
I need the edge and you know  
That I'll be waiting for more  
So back it up  
This dangerous behaviour  
Ohhhh

Dangerous behaviour
