

Daylight

Mike Mago

Crying again, I see
You got to stop this? Shame and honesty?
Dry it up and go
And right in front of you there's hope you know
I'mma let you there's to the can't I free
And I'm stay to stay that your real
It's never ever, baby when you stock will see
But you've got hope a little faith when you're with me
Ooh, when you dance, I fell for you
And you'll see all the plans, I made for two
I'm not a superhero, no
But I see daylight in the dark
But I see daylight, light
But I see daylight, light
But I see daylight, no
But I see daylight in the dark
See now what I mean
It's possible to find the light to see
Light it up and go It's crazy but you're safe with me you know
I'mma let you there's to the can't I free
And I'm stay to stay that your real
It's never ever, baby when you stock will see
But you've got hope a little faith when you're with me
Ooh, when you dance, I fell for you
And you'll see all the plans, I made for two
I'm not a superhero, no
But I see daylight in the dark
Ooh oooh oh oooh
Ooh oooh oh oooh
Ooh oooh oh oooh
Oooh, oooh, oooh, oh
Light...
But I see daylight, light
But I see daylight, light
But I see daylight, no
But I see daylight in the dark
Ooh, when you dance, I fell for you
And you'll see all the plans, I made for two
I'm not a superhero, no
But I see daylight in the dark
Road on the plan, I fell for you
You'll come to paradise, I made for two
I'm not a superhero, no
But I see daylight in the dark
Ooh oooh oh oooh
Ooh oooh oh oooh
Ooh oooh oh oooh
Oooh, oooh, oooh, oh
Ooh oooh oh oooh
Ooh oooh oh oooh
Ooh oooh oh oooh
Oooh, oooh, oooh, oh
