

## Deeper Love

Mike Mago

Oh I lost you once but I found you twice  
And my search is over  
When they say we won't yeah we'll show we will  
It'll bring us closer

It's time for us to think about us  
It's time for you to think about you  
When we lay together in the dust  
Know we did everything we wanted to

We're heading for a deeper deeper love [x2]  
And now we found our way, yeah we'll find our way  
We're heading for a deeper love

Oh oh oh oh oh...  
We're heading for a deeper deeper love

If we're diving in  
Let's go head first  
Until were flying  
Cause we never know  
Just what we're worth  
Until we try it

It's time for us to think about us  
It's time for you to think about you  
When we lay together in the dust  
Know we did everything we wanted to

We're heading for a deeper deeper love [x2]  
And now we found our way, yeah we'll find our way  
We're heading for a deeper love

Oh oh oh oh oh...  
We're heading for a deeper deeper love...

And now we found our way, yeah we'll find our way  
We're heading for a deeper love
