

Eyes On Me

Mike Mago

Everywhere I go
I can feel your eyes on me
Lingering still from a night of fantasy
Want it to be real
Just want you touchin' me

This is me askin'
This is me askin'

Do you wanna try
Stare me deep in my eyes
Won't stay too long
Then I'll say goodbye

Do you wanna try
Stare me deep in my eyes
Won't stay too long
Then I'll say goodbye

This is me askin'
Come on just dive in

Do you wanna try
Stare me deep in my eyes
Won't stay too long
Then I'll say goodbye

Do you wanna try
Stare me deep in my eyes
Won't stay too long
Then I'll say goodbye

This is me askin'
Come on just dive in

This is me askin'
Come on just dive in

Do you wanna try
Stare me deep in my eyes
Won't stay too long
Then I'll say goodbye

Do you wanna try
Stare me deep in my eyes
Won't stay too long
Then I'll say goodbye

This is me askin'
