

Give Me Your Love

Mike Mago

Give me your love
Give me your love, yeah

Don't leave me hanging on my weight
And give me your love, your love
Don't leave me hanging on my weight
And give me your love, your love

Your love
Give me your love (Give me your love)
Give me your love (Give me your love, yeah)
Your love, yeah

Give me your love
Give me your love
Give me your love
Give me your love, yeah

(Your love)
(Your love)
(Your love)
Give me your love, yeah

Don't leave me hanging on my weight
And give me your love, your love
Don't leave me hanging on my weight
And give me your love, your love

Your love, your love
Give me your love (Give me your love)
Give me your love (Give me your love, yeah)
Your love, yeah

Give me your love
Give me your love
Give me your love
Give me your love, yeah
