

On Repeat

Mike Mago

Round and round we go again
And I can't get enough, get enough of this, mmh
you make me wanna do things
That I never did, no I can't pretend

All day, got your love on repeat
All night, put your lovin' on me
Hold me everyday 'cause I need
Never be lonely
When you're on repeat, on repeat

On repeat
On repeat
On repeat
On repeat
On repeat
On repeat

When you're on repeat, on repeat
When you're on repeat

All day
All night
Hold
Never be lonely
When you're on repeat, on repeat

Round and round we go again
And I can't get enough, get enough of this, mmh
you make me wanna do things
That I never did, no I can't pretend

All day, got your love on repeat
All night, put your lovin' on me
Hold me everyday 'cause I need
Never be lonely
When you're on repeat, on repeat

On repeat
On repeat
On repeat
On repeat
On repeat
On repeat
On repeat
On repeat
...

When you're on repeat, on repeat
When you're on repeat

All day, got your love on repeat
All night, put your lovin' on me
Hold me everyday 'cause I need
Never be lonely
When you're on repeat, on repeat
