

## Recognise

**Mike Mago**

Sunlight look at me  
Til I see everything  
Lately I have been  
Locked up in a pseudonym  
All I wanna do  
Be myself, I'm telling you  
Sunlight too bright  
I wanna see again

[illegible]

Oh darling, I don't recognise me  
Don't recognise

Sunlight look at me  
Lately I have been  
All I wanna do  
Sunlight too bright  
I wanna see again

[illegible]

Don't recognise  
Me

Oh darling  
Don't recognise

Sunlight look at me  
Lately I have been  
All I wanna do  
Sunlight too bright  
I wanna see again

Feels like  
I try  
Satisfy my  
Self I  
Stay up  
All day all night  
Feels like I try but I  
No, I don't recognise  
Don't recognise  
Don't recognise  
Don't recognise  
Me
