

## Let The Jukebox Keep On Playing

Mike Ness

Oh, let the jukebox keep on playing  
Let that record roll around  
Let my baby keep on sayin'  
She's the lonesome gal in town

Let her know that I'll be waiting  
Till my lonely days are through  
Let the jukebox keep on playin'  
Till I'm holding you

Let those honky tonkin' angels  
Be the girl I never loved,  
Let her know it's you I'm cravin'  
And it's you I'm thinkin' of

Let her know that I'll be waiting  
Till my lonely days are through  
Let the jukebox keep on playin'  
Till I'm holding you

Oh, let the jukebox keep on playing  
Let that record spin around  
Let my baby keep on sayin'  
She's the lonesome gal in town

Let her know that I'll be waiting  
Till my lonely days are through  
Let the jukebox keep on playing  
Till I'm holding you
