

# Moonlight Shadow

Mike Oldfield

- C#mi A**  
1. The last that ever she saw him  
**H E H**  
carried away by a moonlight shadow  
**C#mi A**  
he passed on worries and warning  
**H E H**  
carried away by a moonlight shadow  
**E H**  
lost in a riddle that Saturday night  
**C#mi A H**  
far away on the other side  
**E H**  
he was caught in the middle of a desperate fight  
**C#mi A H**  
and she couldn't find how to push through.
2. The trees that whisper in the evening  
carried away by a moonlight shadow  
sing a song of sorrow and grieving  
carried away by a moonlight shadow  
all she saw was the silhouette of a gun  
far away on the other side  
he was shot six times by a man on the run  
and she couldn't find how to push through.  
**E H E H E A H**  
R: I stay I pray see you in heaven far away  
**E H E H E A H**  
I stay I pray see you in heaven one day.
3. Four a.m. in the morning  
carried away by a moonlight shadow  
I watch your vision forming  
carried away by a moonlight shadow  
the stars move slowly in a silvery light  
far away on the other side  
will you come to talk to me this night  
but she couldn't find how to push through.
