

# Browning

Mike Patton

My name is Browning, and my motto:  
Simply do what the trigger says  
Are you a flic' or a gangster?  
Well, have a look at my billboard:

Aim, aim, aim  
Shoot, shoot, shoot  
Bang, bang, bang  
Bleed, bleed, bleed

If you have neither coin nor green  
Straight to your bank, I guarantee  
With your Browning in hand  
Your finance swell, they'll work out ok, man

Aim, aim, aim  
Shoot, shoot, shoot  
Bang, bang, bang  
Bleed, bleed, bleed

And if your baby decides to fly away  
With another bloody loser  
You don't need no paper, no pen  
Browning will sign your adieu

Aim, aim, aim  
Shoot, shoot, shoot  
Kill, kill, kill  
Bleed, bleed, bleed

If remorse is sapping your tree  
If you're nailed down by repentance  
If you don't know what to do with your skin  
For 2 cents, 3 bullets  
Browning will do you in

Aim, aim, aim  
Shoot, shoot, shoot  
Bang, bang, bang  
Bleed, bleed, bleed

Aim, aim, aim  
Shoot, shoot, shoot  
Kill, kill, kill  
Bleed, bleed, bleed
