

## Deep Down

Mike Patton

Deep Deep Down  
Deep Deep Down

Deep Deep Down  
Now yes look at me, come here  
Here close to me, that's the right time  
Now's the true moment, now yes I can ask you  
To stay closer to me

Deep Deep Down

Inside me Deep Down, I already know Deep Down  
That you Deep Down, love me Deep Down  
Inside of you Deep Down, you know that Deep Down  
What you are Deep Down, you for me Deep Down  
Inside of me Deep Down, I love you Deep Down

Only you Deep Down. I love you Deep Down

Deep Deep Down

Deep Deep Down  
You know it, yes you know it  
I know that you know, what you mean to me  
And this is the right moment  
And this is the true moment  
And this is the tender moment  
To stay closer to me

Deep Deep Down

I love you Deep Down  
Only you Deep Down  
I love you Deep Down  
Only you Deep Down  
I love you Deep Down  
Only you Deep Down
