

# Blackout

Mike Posner

chorus:

blackout waiting for your rescue  
last night have you in the best move  
you say had a conversation  
all i remember is  
my friends taking my cell phone  
and you're the .. miley cyrus  
i don't know what they said to her  
she's rich she'll go over it  
hello strange lady ooh  
i'm not sure if we .. ooh  
you look far in ..light ooh  
please don't ask me your name  
all i remember is

2 x chorus:

blackout waiting for your rescue  
last night have you in the best move  
you say had a conversation  
all i remember is  
you said you were an actress  
but i didn't believe you  
i guess you need a practice 'cause i didn't believe you  
hello strange lady  
i don't know if we babe  
you look far in ..light ooh  
please don't ask me your name  
all i remember is

red cups, red cups  
all i remember is
