

# Fun Up Here

Mike Posner

Good job 1st

I fell in love with a sunset, I fell in love with a cloud  
I don't remember how I got here, I just know I'm lookin' down  
It's fun up here, feelin' real good  
Man, it's fun up here, I'm feelin' real good  
I feel in love with my damn self  
My freckles and my back (My freckles and my back)  
I fell in love with the whole world, I know it loves me back  
That's why it put me high  
It's fun up here, feelin' real good  
It's fun up here, I'm feelin' real good  
I'm just slidin' down a rainbow, got a lot leg room  
I'm lookin' for my pot of gold (I'm lookin' for my pot of gold)  
I know I'll get it soon  
Uh, I got love in my blood, man, I'm feelin' real yummy  
John Hamilton and Attaman, I'm keepin' good company  
I call my pair of eyes "Pretty," and a rainy day is ugly  
Man, I ain't got nothin', so you can't take nothin' from me  
'Cause it's fun up here, and I'm real good  
You know it's fun up here, I'm feelin' real good

Yeah, uh

I woke up today in a mansion  
I'm seven out of ten handsome  
But my talent make me a ten [?]  
Kick it to the curb, Ted Dancin'  
Chillin' in a droptop, pedal to the high top, my studio is a ho  
tbox  
No baby, don't stop, no baby, don't drop  
Can't see these haters like a Bird Box  
Livin' on food stamps, dyin' on wealthfare  
Dyin', and I had no healthcare  
Wake up blessed everyday, life's slippin' away  
And I'm actin' like I don't care  
I got a job, I got a bed, I got a beautiful home, I ain't there  
I got a mind on my own, I'm rich, but the money  
Money can't fill your heart, money can't fill your heart (No, n  
o, no, no)  
Money can't fill your heart, money can't fill your heart (No, n  
o, no, no)  
Money can't fill your heart, money can't fill your heart (No, n  
o, no, no)  
Money can't fill your heart, only love can fill your heart, onl  
y fill your heart

It's fun up here, feelin' real good

Man, it's fun up here, I'm feelin' real good
