

## \* = God

Mike Posner

\*=God

\* is in the beggar  
\* is in the thief  
\* is in the penthouse  
\* is in the streets  
\* is in the rose petals  
\* is in the dew  
\* is in December  
\* is in June  
\* is in the CO2 that's filling up the air  
\* is in your enemy to whom you wish to spare  
\* is in the 808s  
\* is in the flute  
and if \* is really \* then \* is in you
