

Hey Cupid

Mike Posner

Oooooooooohhhhhhhhhhhh, yeah, alright

Hey Cupid (Hey Cupid)

Do I look stupid? (Do I look stupid?)

I'm not going to fall for none of yo tricks no more

Your arrow won't pierce my skin no more

Do you remember Mary?

The one you made me wanna marry

I tried to get into her sex life

But she said I was the friend type

Do you remember Katie?

'Cause you made her drive me crazy

I gave her all of my affection

Then she left me for my best friend

Now you keep shooting your arrow

You keep givin' my love away

But I don't see why you don't let me be

I don't want to play yo game

Hey Cupid (Hey Cupid)

Do I look stupid? (Do I look stupid?)

I'm not going to fall for none of yo tricks no more

Your arrow won't pierce my skin no more

Do you remember Rachel?

You made her look like such an angel

She told me I would be her first ride

That was just her first lie

Do you remember Ashley?

The one that only dated athletes

I tried to kiss her in my back seat

She turned away and slapped me

Now you keep shooting your arrow

You keep givin' my love away

But I don't see why you don't let me be

I don't want to play yo game

I wonder if you even remember how you gave away my love

Superglued my heart back together now, back the way it was

I wonder if you even remember how you gave away my love

Superglued my heart back together now...

Hey Cupid (Hey Cupid)

Do I look stupid? (Do I look stupid?)

I'm not going to fall for none of yo tricks no more

Your arrow won't pierce my skin no more
