

Howling at the Moon

Mike Posner

Your picture in my dresser door
You loved me but not anymore
Now my flowers won't bloom
And I blame it on you
Since you found someone new
I just howl at the moon

And my heart goes, "Boom, boom, boom" when I hear your name
Pretty damn sure that you want it that way
You cut me deep and it's not okay

I wanna knock on your door like
"Boom, boom, boom, won't you let me in?"
You're still stuck underneath my skin
And I'm a lone wolf on my own again
I'm just howling at the Moon

Ah-ooh-ooh-ooh, ooh-ooh
Ah-ooh-ooh-ooh, ooh-ooh (Yeah)
Ah-ooh-ooh-ooh, ooh-ooh ([?], uh)

You said you loved me forever more
And then you moved me off your checkerboard (Yeah)
And now the picture we drew
Is torn up into two
Since you found someone new
I just howl at the moon

And my heart goes, "Boom, boom, boom" when I hear your name
Pretty damn sure that you want it that way
You cut me deep and it's not okay

I wanna knock on your door like
"Boom, boom, boom, won't you let me in?"
You're still stuck underneath my skin
And I'm a lone wolf on my own again
I'm just howling at the Moon

Ah-ooh-ooh-ooh, ooh-ooh
Ah-ooh-ooh-ooh, ooh-ooh
Ah-ooh-ooh-ooh, ooh-ooh

I'm just howling at the Moon
