

# Let's Have A Party

Mike Posner

Let's have a party  
Let's lose control  
Let's have a party  
Until we can't no more  
I, I, I

I text the bitches, I text the hoes  
It's gon' be amazing, Mike don't even know  
Speaking to things that Mike don't even know  
I've been fucking his ex for a year on the low  
She'll get mad if I don't invite her to go  
So I text her the addy, I doubt that she'll show  
I hit up Bieber, he's down to roll  
Mike gives me the keys, here you go, now let's go

Let's have a party  
Let's lose control  
Let's have a party  
Until we can't no more  
Until we can't no more (oh, oh, oh)  
Until we can't no more (oh, oh, oh)  
Until we can't no... (oh, oh, oh)  
Until we can't no more

So, we're good to go, have I convinced you?  
Yeah, we're- it's, it's cool, alright  
Just make it dope, though, I'd like a scene you know, I got you  
Here's the key, thank you  
That's what I'm talking about baby, woo!
