Mike Posner

It's been a long time, long time now
Since I seen you smile aha
And I will get gamble with my time
I will gamble with my fry

It's been a long time
It's been a long time
It's been a long time
It's been a long time

It's been a long time, long time now
Since I've seen you smile aha yeah
And if I gamble with my time
Would you let me inside yeah

It's been a long time
It's been a long time
It's been a long time
It's been a long time

Yeah
