

# Masterbate In A Tissue

Mike Posner

This won't be the greatest thing you ever do  
But it's gonna be fucking awesome

I'm feeling things again  
What does that mean?  
That's enough for me to make  
A series of rash decisions  
Story of my life  
Goes something like this:  
Shy kid  
College  
Got rich  
Still shy

And no one  
Understands me  
Poor me  
Yeah, no one  
Understands me  
Poor me

Masturbate in a tissue  
Addicted to my phone  
My left shoe is untied  
Really, really miss you  
I don't wanna be alone  
But I don't wanna be tied down  
Lame kid  
Saying shit  
Famous  
Still lame

No one  
Understands me  
Poor me  
No one  
Understands me  
Poor me
