

# The Way It Used to Be

Mike Posner

We were young  
We were never growing old  
And the glitter was still gold  
The way it used to be

It was love  
It was easy just to smile  
It was easy for a while  
The way it used to be

But even stars they fade  
And colors turn to grey  
I miss yesterday  
And the way it used to be

And I can't turn back time  
Even if I tried  
I miss you tonight  
And girl I miss the way it used to be

Look at you  
You've got the life, the pretty house  
But you must still think about  
The way it used to be

Is it real  
He don't love you like I do  
Can we just go back to  
The way it used to be

Cause even stars they fade  
And colors turn to grey  
I miss yesterday  
And the way it used to be

And I can't turn back time  
Even if I tried  
I miss you tonight  
And girl I miss the way it used to be

And girl I miss the way...

Look at us  
Just look what we've become  
Just a shell of what was once  
The way it used to be

Even stars they fade  
And colors turn to grey  
I miss yesterday  
And the way it used to be

And I can't turn back time  
Even if I tried  
I miss you tonight  
And girl I miss the way it used to be

And girl I miss the way it used to be
