

Turn Up

Mike Posner

I've spent my whole life
Doing what everybody wants me to do
So take off your cool
And come and vibe with me, yeah
Why wait in a line?
Everyone's here and it's a serious vibe
So take off your shoes
Electric slide with me, yeah

I wanna get turned up with my friends (Turn up)
Girls all around us and they some tens (Turn up)
They gonna dance, dance, dance, dance, dance, dance (Turn up)
And I wanna get turned up with my friends (Turn up)
I wanna get turned up with, I wanna get turned up with
I wanna get turned up with my friends (Yeah, yeah)

Drink is in my hand (Woo)
Milo by my side (Woo)
Sweatpants on my booty
Hundred ladies on my mind (Damn)
J-John got my phone (Brr)
That's in aeroplane mode
Come and join the party
Yeah, my home is not your home (Come on in)
You seem pretty cool (Hey)
All them girls you brought on tour (Ay)
Damn, what should we do?
Wanna get turnt? Okay, me too (Me too)

I wanna get turned up with my friends (With my friends, turn up
)
Girls all around us and they some tens (Yeah, uh, turn up)
They gonna dance, dance, dance, dance, dance, dance (Going 'rou
nd and 'round, turn up)
And I wanna get turned up with my friends (With my friends, tur
n up)
I wanna get turned up with (With who?), I wanna get turned up w
ith (With who?)
I wanna get turned up with my friends (With my friends)

With my friends
Yeah, uh
Going 'round and 'round
With my friends

I wanna get turned up with (With who?), I wanna get turned up w
ith (With who?)
I wanna get turned up with my friends (With my friends)
