UberX Driver

He sits in front of me and swallows his saliva  
He fumbles in the cup holder for his chapstick  
He puts his chapstick on his lips  
He opens up his phone  
He picks up his coconut water, unscrews the top and drinks it  
He screws the top on, puts it down  
He swallows his saliva again  
He opens up his phone  
He picks up his coconut water, unscrews the top and drinks it  
Screws the top on, puts it down  
He swallows his saliva again  
He is doing many many things in hopes that he will stumble upon  
the magic combination  
A certain ordering of chapstick, coconut water, saliva and sali  
va swallowing that will crack the code of his unhappiness and m  
ake him feel better  
Meanwhile, I sit in meditation behind him, waiting for him to f
