

# Dancing All Around It

Mike Ryan

I broke down and called her  
But she never called me back so I'm here drinking  
Halfway through my second one I checked my phone again  
It still ain't ringing  
I broke down and called her  
But she never called me back so I'm here drinking  
Well I wonder if she's missing me right now  
I think I see the answer through the crowd

There she goes, looking her best  
Spinning out on the floor in a low cut dress  
He's holding her close, there's no doubt about it  
If she ain't over me yet  
She's dancing all around it

Maybe they just met tonight  
And maybe she can't wait until this song's over  
Well if that's true, then why the hell  
Did she just put her head on his shoulder  
Look at how she's looking in his eyes  
I don't think she'll call me back tonight

There she goes, looking her best  
Spinning out on the floor in a low cut dress  
He's holding her close, there's no doubt about it  
If she ain't over me yet  
She's dancing all around it

I can see what's really going on  
I was hoping that she wasn't really gone, but

There she goes, looking her best  
Spinning out on the floor in a low cut dress  
He's holding her close, there's no doubt about it  
If she ain't over me yet  
Nah, if she ain't over me yet  
She's dancing all around it
