

## Easy

Mike Ryan

If you don't feel like dressin' up and goin' out tonight  
Baby we can stay right here, and take it easy  
That's easy  
Well you know that little drink you like to order sometimes?  
Well I can make the same thing here, girl that's easy  
So easy

All I really wanna do is be with you  
It doesn't matter where we are  
As long as later on when the night is through  
You're right here in my arms

I can talk you to a movie, I can take you downtown  
Or I can take you straight up stairs, girl I'm easy  
So easy

All I really wanna do is be with you  
It doesn't matter where we are  
As long as later on when the night is through  
You're right here in my arms

I don't understand why people talk about love  
Like it's supposed to be hard, girl this is easy  
So easy  
Yeah you make it easy, so easy
