

## Some Fools Never Learn

Mike Ryan

All my friends say I should leave you alone  
You've got a heart like a stone and a wanderin' eye  
And I know that they're right  
I could make up my mind not to see you again  
But you move through my dreams like the wind  
It's no good to pretend it won't happen again  
'Cause it'll happen again

Some fools never learn  
Play with the fire and you're gonna get burned  
It's only love when you're loved in return  
Some fools never learn  
Some fools never learn

And baby I try, but I'm just not that strong  
Yes I knew all along but that's not enough  
I was fallin' in love  
You don't know it, but I came over tonight  
There was somebody's car parked outside  
Damn my eyes, damn this heart of mine  
I drove off into the night

Some fools never learn  
Play with the fire and you're gonna get burned  
It's only love when you're loved in return  
Some fools never learn  
Some fools never learn

Somewhere in the city tonight  
There's a girl and she's lonely like me  
She'll be easy to see and naturally  
She'll have that look in her eye  
And she'll be feelin' that way  
I'll see it all plain as day  
Oh I'll never be what she wants me to be  
Oh but lucky for me

Some fools never learn  
Play with the fire and you're gonna get burned  
It's only love when you're loved in return  
Some fools never learn  
Some fools never learn  
Some fools never learn
