

# You Don't Have to Tell Me Twice

Mike Ryan

We got no plans this evening  
Baby what you wanna do tonight  
You say you wanna go downtown  
Well you don't have to tell me twice  
Red wine corner table  
The band playing that song you like  
You say you feel like dancing  
You don't have to tell me twice

When we dance, baby can you feel it  
Everybody looking at you  
Every man, wishing he was in my shoes

Cause I got my arms around you  
And you got that look in your eyes  
The one that says baby kiss me  
You don't have to tell me twice

When we dance, baby can you feel it  
Everybody looking at you  
Every man, wishing he was in my shoes

I can't wait to get you alone girl  
Lock the doors and turn out the lights  
You look at me and you say baby you don't have to tell me twice  
Take my hand and say let's go home  
You don't have to tell me twice  
Nah you don't have to tell me twice
