

Since I Found My School

Mike Scott

I'm alone, I'm in bits
Got no home, got no hits
But it's cool
Since I found my School

Got some style, hit my stride
Got me a smile about a whole world wide
Feeling cool
Since I found my School

Child of the Wind
Mr Vulnerable
Dark Music
Open-Heart House
Tree of Stars

I'm alive, I'm intact
I survived, it's a fact
Life is cool
Since I found my School

Three Sevens
Mr Rock and Roll
Secrets
The Thing I Lost
Tree of Stars

I'm alive, I'm intact
I survived, it's a fact
Life is cool
Since I found my School
