

Versace, versace  
No, fuck that  
Where my cup at?  
Money on my mind like a Bucks hat  
On point like a thumbtack and I'm up next, oh yeah  
Are you sick of me yet?  
Get love every city we at  
Run around a map like a victory lap  
Check YouTube if you need a recap  
Man, dressed like a jock, fuck designer  
Coming up behind ya, tryna fuck Rihanna  
And I'm a do that, damn right I'm a do that  
Oh Kendall Jenner, I can't forget her  
Man, that girl bad and I want her in the worst way  
She's 17? Well, when the fuck is her birthday?  
Versace, versace  
I do what I want and ain't nobody stopping me  
Just bought so much property, my life feels like a game of Monopoly  
Out on the cape and we party with Seguin, I'm cool on the hockey scene  
Two chicks: one black, one white, that's right, I'm supporting equality  
Bang  
Now all of these dudes trying to copy me, I'm starting to get pissed off  
Walk around town and I see myself, feeling like Chris Paul  
Come to a show and got all of these hoes fighting for some camera time

Cause I got white girls going crazy, Amanda Bynes  
Yeah  
I got white girls going crazy, Amanda Bynes  
Amanda Bynes  
I got white girls going crazy

Aw man, aw damn he goin' ham again  
For the cheese they keep making me a sandwich in  
Got heat, so I gotta keep the candle lit  
Got 'em standing in place like a mannequin  
Ah, oh baby  
Dear God, don't hate  
But I'm with both of your exes and they thirsty, Dos Equis  
I got her saying shit she'd never say  
Says she likes when Mike's hard, but she ain't drinking lemonade  
Get it straight, alright okay  
I beg your pardon, I came to party  
She said to me: "Mike, can we fuck please?"  
And I said: "No doubt, Gwen Stefani"  
Fuck with me though, fuck with me though  
Please keep it down, I got company though  
24 years old, with a quarter million on my company card  
I get it, I get why these guys is hating  
I keep saying no to these deals, even Howie Mandel is getting impatient  
Versace, versace  
My sushi is good and so is my sake  
You're the man on Twitter, that's cool my g, but in person you're sloppy  
Better handle all that  
Zone d, bruh, better fall back  
That's just how I does it  
Dude got left but he had it coming  
Pause
