

Break It Down (Freestyle)

Mike Stud

Let me show you how I break it down, oh baby
Let me show you how I break it down, uhyup
Wassup, wassup, man, Sunday Stud Day freestyle edition
The Mike Stud way
Let's go

Alright, okay
Bout to shut it down on Sunday
And I'm fresh to death, I belong on a runway
So throw me that ball, I thrive on this especially
Talkin' 'bout some sex with me, damn right I got athletic D
So lights out, don't strike out, like I'm Mike Trout
I be killing it on the daily, work hard, never lazy
But I ain't really ballin' though, closest thing I got to 30 ro
cks is Alec Baldwin though

If you wanna go and take a ride with me, smoke an L in the back
of the Benzie
Oh, why do I feel this way?
Cause all I care about is money and the city that I'm from
I don't give a fuck, my excuse is that I'm young
Cause I'm on one
Still got my money
Cause I'm on one
Damn right, I still got my money

Let me start this shit off with something I had to say
Remixed Nelly "Ride With Me", shoutout Connor Cadaret
He requested that, yes in fact
Freestyle, I'm the best with that
Made a lot of money and invested that
So throw me that ball
Let me get a little warmed up, like some foreplay
But when I go all the way, I keep it wrapped up like Chipotle
And this like four in the morning
Stay tuned, coming soon is some brand new Touring's Boring
So

Let me show you how I break it down, oh baby
Let me show you how I break it down, yup yup
