

Hold on We're Going Home

Mike Stud

I got my eyes on you, you're everything that I see
I want your hot love and emotion endlessly
I can't get over you, you left your mark on me
I want your high love and emotion endlessly
'Cause you're a good girl and you know it, you know it
You act so different around me
'Cause you're a good girl and you know it
I know exactly who you could be

Just hold on we're going home
Just hold on we're going home
It's hard to do these things alone
Just hold on we're going home

Red kisses on that wine glass
Memories of you as the time pass
Uh, I used to put it on your fine ass
Good girls are hard to find
Baby you were my last, god damn
Got pretty girls around me everywhere that I am
Even when I'm gone just know that I'm there
Know it doesn't feel like it, but I care
Yeah, and I never been the best at showing

Reading through these texts and it's best you know it
And I know I've been a mess but I'm getting through it
And ever since you left, I'm just left with music
Uh, I think it's lonely at the top but the view nice
If I get another chance, I'mma do it right
And until then, I'mma go alone
And just know that girl I'm coming home

Just hold on we're going home
Just hold on we're going home
It's hard to do these things alone
Just hold on we're going home

'Cause you're a good girl and you know it, you know it
You act so different around me
'Cause you're a good girl and you know it
I know exactly who you could be

Just hold on we're going home
Just hold on we're going home
It's hard to do these things alone
Just hold on we're going home, home yeah
