Mike Stud

Huh, can you imagine?  
Can you imagine?  
Yeah yeah  
Yeah yeah  
Huh

Did anyone break your heart?  
But making change is hard  
Everyday I wake up and thank God, got to play a part  
I didn't want to wait this long  
I didn't want to walk you down the wrong path  
But I know I had  
I can't imagine  
I think I want you to  
Show me everyday  
You're so close to me, for real  
You're so close, for real  
I think I wanna know  
Every way I gotta go  
To make sure I'm the one who get to love you (Yeah)

Can you imagine? (Imagine, no)  
Can you imagine?  
I can't imagine (Oh-no-oh-oh)

Close to me, you're like my mother  
Close to me, you're like my brother  
Close to me, you're like my father  
Can you imagine?  
Close to me, you're like my sister  
Close to me, you're like my cousin  
Close to me, you're everything  
Everything I ever wanted, oh

I would never leave you hangin', that's on everything  
You know I love you  
I love that I can tell you anything  
Can you imagine if we never let this happen?  
Can you imagine?  
Oh, I can't imagine (Yeah)

I'm thinkin' eighty twenty  
You got me where you want me  
She got a lot of gifts  
She don't got to take it from me  
I gotta say I'm down  
She got away for me  
My mind is made up now  
That you were made for me  
Ooh, OMG, she a freak in bed, uh  
Just give me your hand (Yeah)  
Let me lead the dance  
Dance with me, gas on E  
Fill your tank up when you need  
You need space but not from me  
I can see what they can't see

Can you imagine?  
Can you imagine if we never let this happen? (Yeah, uh)  
Can you imagine?  
Can you imagine if we never felt the magic?

Close to me, you're like my mother  
Close to me, you're like my brother  
Close to me, you're like my father  
Can you imagine?  
Close to me, you're like my sister  
Close to me, you're like my cousin  
Close to me, you're everything  
Everything I ever wanted, oh

Can you imagine? (Imagine, no)  
Can you imagine?  
I can't imagine (Oh-no-oh-oh)
